TeachTown Benchmark Assessments for Middle and High School launching **September 2025!**

# Flexible and Reliable Benchmark Assessments

Benchmark assessments are available in three unique forms using these convenient delivery methods:

- ✓ Printable PDFs
- ✓ Teacher-facilitated technology lessons
- ✓ Student-led technology lessons

## Data-Driven Insights for Student Success

Generate detailed reports for **progress monitoring** and IEP goal development.

Reports include:

- ✓ Raw scores
- ✓ Percentages
- ✓ Item analysis

Plus, they seamlessly connect you to the specific unit in [enCORE](#) where you can turn to **target instruction** and accelerate student progress!
