

enCORE Elementary ESY 2023 - *Extended School Year*

As a benefit of your current enCORE subscription, TeachTown is pleased to offer access to enCORE ESY (extended school year) for 2023 to all active enCORE subscribers at your organization.

enCORE ESY Curriculum and Program Components

Length - This is a four-week summer school curriculum.

Theme - Summer in My Community: Choose Your Own Adventure!

Sequence - After Week One, the curriculum is flexible. Use Week One to plan your adventure. Teachers can do the other three topics in the order that they choose.

1 - Summer in My Community **2** - Ways to Learn **3** - Ways to Explore **4** - Ways to Contribute

Program Components - Each week will have newsletters, mini-lessons, worksheets and teacher- and student-led technology-based lessons.

Availability Date - The 2023 program will be available May 15, 2023. Please note - 2022 ESY is also available in enCORE for reference.
