

MEDIA LIBRARY

The new enCORE Elementary Media Library brings learning to life by providing age-appropriate visual and functional communication supports to help educators differentiate instruction.

Search from a library of over 1,000 images for instructional support!

Visual Support at Your Fingertips

- ★ Search for *thousands* of images by **domain** and **unit** to support instruction.
- ★ Customize searches to find visuals that **support classroom routines, community environments, and individualized learning needs**.
- ★ Easily **download, resize, print, or add Media Library images to devices** for both high-tech and low-tech support.
